

ASH GREEN WEEKLY NEWS

5 October 2018

Next week at Ash Green we have a Lantern Parade meeting at the Upper Site at 3.30 on Monday afternoon. Year 3 parents are invited to lunch with their children on Wednesday and Year 2 classes open their doors to parents on Thursday afternoon.

We end the week on Friday when Year 1 host their assemblies and our Celebration assemblies—KS2 at 9.05am – Reception and KS1 at 2.50pm – all welcome.

ASH GREEN ON AIR

You may have seen and heard Mr Sheppard last Friday on Sky News, and again this week on BBC Radio Leeds, talking about the crippling funding cuts that all schools are currently facing. Parents and carers should never need to worry that your children will be affected by these cuts in any way – we continue to provide all pupils with the highest education. As part of the interviews, school received many important visitors and they all remarked on how courteous and well-behaved the pupils are.

GREAT NEWS

FOR OUR SCHOOL

Our school goes from strength to strength each and every year, and this year is no different. The superb progress made by all pupils, and the systems in place within school that help to generate this progress, never go unnoticed by the local authority and the wider educational community. Already this year, we have supported two other local schools to improve their systems. Furthermore, we have been invited to be the host school for a number of key events, allowing other teachers and leaders to visit our school and your children to see for themselves what makes Ash Green such a good school.

Your support, as always, is a huge factor for making our school the success it is.
Thank you.

PARENTS' EVENING

Our Autumn term
Parents' Evening will be on
**Tuesday 23 October – 2.40-
8.00pm.**

Please make an appointment
to meet your child's new
teacher and discuss your
child's targets.

Lists will go up outside
classrooms on
Monday 8 October.

CLASSROOM SUPPORT

Due to the funding crisis, one worry many schools face is about maintaining a high level of staffing within all classrooms. Ash Green has always ensured all pupils are supported by at least one teaching/support assistant per class, and often more. Sadly, many schools are finding this level of staffing is now not possible. **At Ash Green, however, this will not change: pupils will continue to receive the support they need from having at least two adults (teacher and teaching assistant) per classroom.** Additionally, ALL pupils whose learning requires an EHC Plan will always receive 1:1 support as designated by the plan.
