## PARENTAL CONDUCT

The great majority of our parents and carers show absolutely impeccable conduct in and around our wonderful school at all times.

Sadly, there have been a couple of occasions this term when we have seen unacceptable behaviour in our school. These instances have been dealt with swiftly and strongly. Foul language and aggression will not, and should not, be ever tolerated and could result in exclusion from the premises: a sanction we have unfortunately had to enforce on more than one occasion. Thank you for your support.
