ASH GREEN APP

We have made a change to the way that we will contact you to give you all school information. Due to the high cost of our texting service we will only contact you via text message if there is a genuine need or if your child is ill in school and needs to be collected etc. All other news, updates etc will be on the app.

We are asking all parents and carers to download the app as soon as possible to ensure that you don't miss out on important information about your children. Downloading is easy and takes less than 10 minutes.

If your child is on a school trip or visit this is the way we will let you know that they have arrived safely and if there are any delays for their return etc.

In addition you will get: All the latest school news, weekly and key stage newsletters, alerts and notices and school dates and event.

Thank you to all parents who have downloaded so far – please spread the news.

To download search 'HX2 8QD' in the Google Play Store (android) or the App Store (iOS)

We wish 5B well on Wednesday 25 April when they visit London travelling by train, tube, boat to see all the sites in our capital city.

The following Wednesday (2 May) will be the turn of 5W.
