

ASH GREEN WEEKLY NEWS

9 October 2020

PRIMARY SCHOOL

It's been another fantastic week at Ash Green and attendance has certainly picked up. Remember- it is only the 3 main symptoms of Covid 19 (detailed on Page 2) that should necessitate a child being off school- not a common cold. We are ensuring that any individual children or families who have to self isolate are given work to complete. After half term we will be rolling out new 'remote learning' opportunities for all our children- look out for updates on that. Next week Miss Crowther will be leading SEN reviews at each site and then will make contact with families about any changes to provision. On Tuesday children hoping to go to Trinity Academy will sit a Fair Banding Assessment in school (details below).

Thank You

Down Syndrome
Training & Support
Service Ltd

Dear Staff and Pupils of
Ash Green Primary

Thank you very much for your kind donation of £78.00. We are so pleased that you chose us as one of your charities.

It is very much appreciated by our charity and the staff we employ to carry out this vital work.

With kindest regards
K. Barron
(Administrator)

SEN REVIEWS

Next week our SEN reviews will take place with Miss Crowther at both sites.

Upper Site on Monday
Lower Site on Wednesday

Contact will be made with families about any changes to provision.

FAIR BANDING ASSESSMENT

We have 40 of our Year 6 children whose families have registered them for the Fair Banding Assessment- necessary for admission to Trinity Academy. The Assessment will be taken in school in Y6 classrooms on the morning of Tuesday 13th October. This week, we have ensured that the children have had opportunity to sample the types of questions they will encounter.

Harvest Collection

This year our Harvest Collection will be on Friday 16 October.

Please can we ask for donations of tins, packets and dried foods?

We will store these in boxes and then after that weekend, in line with Covid guidelines, will distribute them to local charities.

2020/2021 Term Dates

Half Term	Close Friday 23 October	Re-open Monday 2 November
Christmas	Close Friday 18 December	Re-open Monday 4 January 2021
Half Term	Close Friday 12 February	Re-open Monday 22 February

May Day - Close Monday 3 May		
Half Term	Close Friday 28 May	Re-open Tuesday 8 June
Mid-Summer	Close Friday 23 July	

Keeping Families Safe in Calderdale

COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse
