

# ASH GREEN WEEKLY NEWS

16 October 2020

Next week at Ash Green we start with a Harvest Festival assembly (on Microsoft Teams of course!) on Monday. A reminder that we break up next **Friday 23<sup>rd</sup>** and are due to return on **Monday 2<sup>nd</sup> November**.

As we are in autumn, and the days are getting colder, you may wish your child to have a hot meal.

If you would like to change to warm school dinners then please inform the school office as soon as possible.

The cost of a school dinner is £1.60 per day and includes a choice of pudding.

If, during the first 3 week rota, your child becomes unhappy with their choice and would like to change their meal selection please call in at the school office.

Please click the link below to view our new school menu.

## Autumn Term Feedback

Ordinarily, we would be holding a Parents' Evening next Tuesday 20<sup>th</sup> October.

Guidance is that this face to face event cannot take place. Your child will bring home an Autumn Term Feedback report on Wednesday. This will be an individual report on strengths and targets as well as what your child is moving on to next and how you can support.

For parents who would like a follow up phone call about a specific aspect then there will be a request slip attached and staff will be in touch immediately after the holidays.

## Harvest Collection

### Thank You

For all donations this morning.

We will store these in boxes, in line with Covid guidelines, and then after this weekend will distribute them to local charities.

We have spaces at After School Club.

This club is running at BOTH Sites at present due to Covid restrictions.

The children have a fantastic time with games, craft activities and a healthy tea all for only £6.50 a night and runs from the end of school until 5.45pm – fantastic value!

If you would like your child to attend then please book on to the Gateway App or for more details phone school on 01422 244613.

The staff are working incredibly hard to plan inspiring learning for children IN school and emergency learning packs for children who are off due to reasons linked to Covid-19.

We are now developing a Remote Learning system through a platform called Seesaw. All the children are being introduced to this currently with their own QR codes to help them access learning out of school. We will further develop this next week and communicate with parents on how children can access this out of school.

IF we have to close a bubble at school and a class then have to learn from home, this system will enable teachers to set work, give feedback, receive work from children and give them the best educational experience whatever the situation. Keep looking for further updates!

## ATTEND TODAY, ACHIEVE TOMORROW

Attendance this term has been really good for the great majority of children. Please remember to let us know as early as possible if your child will not be attending school. Our admin staff will follow up on any unexplained absences- these are very few at present.

# ASH GREEN CHILDREN'S CENTRE

We provide outstanding day care for children under the age of 4 years old and ensure the best learning environment and the highest expectations for children's life-long learning, achievement & happiness.

# Keeping Families Safe in Calderdale

## COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse

Health Visiting Team: 030 0304 5076

School Nursing Team: 030 3330 9974

What to do if...	Action needed	Return to school/setting when...
...my child has one or more of the main COVID-19 symptoms	<ul style="list-style-type: none"> <li>→ Do not come to school/setting</li> <li>→ Contact school/setting to inform us</li> <li>→ Self-isolate the whole household including siblings</li> </ul>	<p>...the test comes back negative</p> <p>If you are unable to get a test for your child within 5 days of them developing symptoms, you must follow the advice below</p>
...my child has a runny nose, sore throat, headache, sickness or diarrhoea but doesn't have	<ul style="list-style-type: none"> <li>→ Contact school or setting to inform us if your child won't be attending</li> <li>→ Ring on each day of illness</li> </ul>	<p>... they feel well enough to do so, and after 48 hours following the last bout of sickness or diarrhoea</p>
...my child tests positive for COVID-19	<ul style="list-style-type: none"> <li>→ Do not come to school/setting</li> <li>→ Contact school/setting to inform us</li> <li>→ Self-isolate the whole household including siblings                             <ul style="list-style-type: none"> <li>- For anyone with symptoms: this is for at least 10 days from when they started with symptoms</li> </ul> </li> </ul>	<p>...10 days have passed since symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks</p> <p>Remember, others in your household may still be self-isolating</p>
...
