ASH GREEN WEEKLY NEWS

ASH GREEN Community PRIMARY SCHOOL

Don't Forget

WE CLOSE FOR

October Half Term

HAVE A GREAT HALF TERM!

TODAY – FRIDAY 23 OCTOBER

And return

MONDAY 2 NOVEMBER

THANK YOU- ONE AND ALL!

An incredibly tough term comes to a close and hopefully all staff and children take a well deserved break. The circumstances we have been working and learning in have been so different and difficult and yet the effort and attitude of all our staff and the great majority of children is simply magnificent to see. Please look after yourselves everyone, stick to the guidance given, get ready for what Tier 3 will bring and put your health first. I have again attached the guidance around symptoms and responses to symptoms and positive tests. We have had children and staff who have been required to self-isolate this term due to symptoms or even family members testing positive. We consult with Public Health on any decision linked to Covid related issues and we are fully committed to the health and safety of all our school community. Take care, enjoy the break and see you on the 2nd. Mr Sheppard

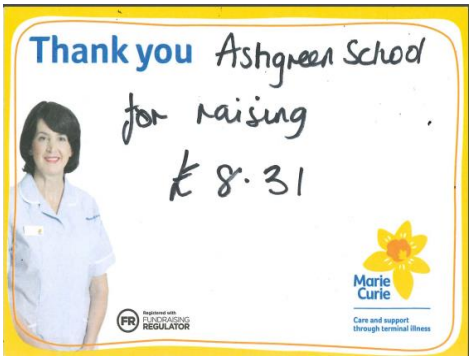

after school club

We have spaces at After School Club.

This club is running at BOTH Sites at present due to Covid restrictions.

The children have a fantastic time with games, craft activities and a healthy tea all for only £6.50 a night and runs from the end of school until 5.45pm – fantastic value!

If you would like you child to attend then please book on to the Gateway App or for more details phone school on 01422 244613.

This was during lock down.

Hopefully next year our school will be open all year round.

REMOTE LEARNING

The staff are working incredibly hard to plan inspiring learning for children IN school and emergency learning packs for children who are off due to reasons linked to Covid-19.

We have developed a Remote Learning system through a platform called Seesaw. All the children have been introduced to this with their own QR codes to help them access learning out of school. You should now have received all the information you need to access this at home. Please let us know of any problems accessing this.

IF we have to close a bubble at school and a class then have to learn from home, this system will enable teachers to set work, give feedback, receive work from children and give them the best educational experience whatever the situation. After the holidays we will finalise plans for exactly what would be timetabled in the event of a closure. Keep looking for further updates!

ASH GREEN CHILDREN'S CENTRE

We provide outstanding day care for children under the age of 4 years old and ensure the best learning environment and the highest expectations for children's life-long learning, achievement & happiness.

Keeping Families Safe in Calderdale

COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse
Health Visiting Team: 030 0304 5076
School Nursing Team: 030 3330 9974

What to do if…	Action needed	Return to school/setting when…
…my child has one or more of the main COVID-19 symptoms	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings	...the test comes back negative If you are unable to get a test for your child within 5 days of them developing symptoms, you must follow the advice below
…my child has a runny nose, sore throat, headache, sickness or diarrhoea but doesn't have	→ Contact school or setting to inform us if your child won't be attending → Ring on each day of illness	… they feel well enough to do so, and after 48 hours following the last bout of sickness or diarrhoea
…my child tests positive for COVID-19	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings - For anyone with symptoms: this is for at least 10 days from when they started with symptoms	...10 days have passed since symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks Remember, others in your household may still be self- isolating
… I am unable to get a test for my child within 5 days of them developing symptoms of COVID-19	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms	...10 days have passed since the symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks. Remember, others in your household may still be self- isolating. If the child is a contact of a confirmed case, develops symptoms, and cannot get a test, they must continue to self-isolate for the full 14 days
…my child tests negative for COVID-19	→ Contact school/setting to inform us → Discuss with us when your child can come back	…they feel well enough to do so, unless: → Anyone else in the household has tested positive for COVID-19 in the last 14 days → Anyone else in the household has symptoms and hasn't received a negative test result → They are a contact of a confirmed case → They have returned from abroad are required to quarantine (as per current Government advice)
…someone in my household (other than my child) has COVID-19 symptoms	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household → Arrange a test for anyone in the household **with symptoms** → Inform school/setting about test result	… the test comes back negative or fourteen days have passed since the person started with symptoms

What to do if…	Action needed	Return to school/setting when…
…someone in my household (other than my child) tests positive for COVID-19	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household - For anyone with symptoms: this is for at least 10 days from when they started with symptoms. For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms	… 14 days have passed since the person developed symptoms If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms
… I am unable to get a test for someone in my household (other than my child) within 5 days of them developing symptoms COVID-19 symptoms	→ Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms	… 14 days have passed since the person developed symptoms If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms
…Someone in my household had a test for COVID-19 but the result was inconclusive	→ Continue to self-isolate the whole household → Arrange a retest if possible within 5 days from the person starting with symptoms. → If you are unable to arrange a retest, follow advise above for "I am unable to get a test"	… 14 days have passed since the person developed symptoms, if unable to get a retest.
… my child has been identified as a contact of a confirmed COVID-19 case	→ Do not come to school/setting → Contact school/setting to inform us → If the contact was within school/setting, you will receive a notification letter from us → Do not arrange a test unless your child develops symptoms → Siblings can continue to attend	… 14 days have passed since the person developed symptoms (or since the date of their test if they did not have symptoms). If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms
… someone else in my household has been identified as a contact of a confirmed COVID-19 case	→ The household member must self-isolate for 14 days → The person should not arrange a test unless they develop symptoms → Child can continue to attend school → Siblings can continue to attend	… child can continue to attend
… I've heard that someone at school has tested positive for COVID-19	→ If your child is identified as a contact, you will be notified and advised what happens next	… child can continue to attend
… my child has travelled abroad	→ If your child is required to quarantine (as per current Government advice), contact school/setting to inform us → If your child is not required to quarantine, they can return to school/setting → You should not arrange a test for COVID-19 unless your child develops symptoms	… your child has completed quarantine, if required
… I have received medical advice that my child must resume shielding	Do not come to school/setting Contact school/setting to inform us	…you are informed that restrictions are lifted, and shielding is paused again
