

ASH GREEN WEEKLY NEWS

13 November 2020

Keep looking on our app for updates around Remote Learning and encourage your children to access Seesaw. Remember, if you have any problems accessing this or Rising Stars or need support with internet use in general.

NURSERY PARENTS: You will be able to apply for your child's school nursery place from **Thursday 19 November**. Parents/guardians of children resident in Calderdale will need to apply online at www.calderdale.gov.uk/admissions. You can view or amend your application up until **15 January 2021** – an email will be sent to you as acknowledgement of receipt once the application has been submitted. Offers of school places will be made on National Offer Day – **Friday 16 April 2021**. Parents of children resident outside of Calderdale will need to submit their application to their home local authority.

FREE FAMILY LEARNING TO DO AT HOME **I Can See a Rainbow** **HAVE FUN MAKING AND DESIGNING A RAINBOW BASKET, BOOKMARK AND LANTERN** **Families are Invited to Join in the Activities from Home**

You will have two weeks to complete the activities from:
Monday 30th November 2020

Call into either School Office to complete a booking form by: Monday 23rd November 2020

Activity Resources

All resources will be provided **FREE** and the school will distribute the resource bag to you

Pre-Recorded Activity Videos

A video of each activity will be pre-recorded by a qualified art and craft teacher

Each recording will include a product demonstration accompanied by instructions

A detailed handout including photographs will be enclosed in the resource bag

Accessing the Pre-Recorded Activity Videos

The videos will be available to access via the school's website from:
30th November 2020

You will have access to the activity videos for two weeks to complete the activities

Activity Question and Answer Session

The teacher will invite you to participate in an **optional** "live" Zoom chat on:

30th November between 4.00 pm – 5.00 pm

Details of the Zoom link and an invitation to join in the chat will be forwarded to your email

The teacher will be available to answer any questions you might have relating to the activities

OR alternatively

You can contact the teacher by phone, text message or email as outlined below

Photograph, Feedback Form and Award for Creativity

The Family Learning team will miss seeing your "AMAZING" family achievements!

Please forward the team a photograph together with your feedback form enclosed in the bag

A £15.00 voucher (of your choice) will be awarded to a family based on their creativity

Family Learning Contact Details

Privacy Notice

A leaflet will be given to explain how we use your personal information

NEW

ash green website

Our great website just got a lot greater!!! Thanks to a total overhaul, it's looking fantastic. There are pictures of the children at work and play and all the information you need about our school but now in a much more accessible format. You can get up to date on all the latest curriculum developments at the click of a button to see what your child is learning and when! We also have links to all the guidance regarding Covid 19 which you can access through that tab as well as information about our staff and the services we provide.

Head to www.ashgreen.info

Children in Need

THANK YOU!

Well done to all our children and staff today who paid money for Children in Need and those who wore blue to show their support towards National Diabetes Day.

Thank you everyone for your support.

UNITED AGAINST BULLYING

#ANTIBULLYINGWEEK

STARTS ON MONDAY 16 NOVEMBER

Children and staff are invited to come to school on Monday wearing...

Keeping Families Safe in Calderdale

COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse

Health Visiting Team: 030 0304 5076

School Nursing Team: 030 3330 9974

What to do if...	Action needed	Return to school/setting when...
...my child has one or more of the main COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings 	<p>...the test comes back negative</p> <p>If you are unable to get a test for your child within 5 days of them developing symptoms, you must follow the advice below</p>
...my child has a runny nose, sore throat, headache, sickness or diarrhoea but doesn't have	<ul style="list-style-type: none"> → Contact school or setting to inform us if your child won't be attending → Ring on each day of illness 	<p>... they feel well enough to do so, and after 48 hours following the last bout of sickness or diarrhoea</p>
...my child tests positive for COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms 	<p>...10 days have passed since symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks</p> <p>Remember, others in your household may still be self-isolating</p>
... I am unable to get a test for my child within 5 days of them developing symptoms of COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>...10 days have passed since the symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks. Remember, others in your household may still be self-isolating. If the child is a contact of a confirmed case, develops symptoms, and cannot get a test, they must continue to self-isolate for the full 14 days</p>
...my child tests negative for COVID-19	<ul style="list-style-type: none"> → Contact school/setting to inform us → Discuss with us when your child can come back 	<p>...they feel well enough to do so, unless:</p> <ul style="list-style-type: none"> → Anyone else in the household has tested positive for COVID-19 in the last 14 days → Anyone else in the household has symptoms and hasn't received a negative test result → They are a contact of a confirmed case → They have returned from abroad are required to quarantine (as per current Government advice)
...someone in my household (other than my child) has COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household → Arrange a test for anyone in the household with symptoms → Inform school/setting about test result 	<p>... the test comes back negative or fourteen days have passed since the person started with symptoms</p>

What to do if...	Action needed	Return to school/setting when...
...someone in my household (other than my child) tests positive for COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms. For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>... 14 days have passed since the person developed symptoms</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
... I am unable to get a test for someone in my household (other than my child) within 5 days of them developing symptoms COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>... 14 days have passed since the person developed symptoms</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
...Someone in my household had a test for COVID-19 but the result was inconclusive	<ul style="list-style-type: none"> → Continue to self-isolate the whole household → Arrange a retest if possible within 5 days from the person starting with symptoms. → If you are unable to arrange a retest, follow advise above for "I am unable to get a test" 	<p>... 14 days have passed since the person developed symptoms, if unable to get a retest.</p>
... my child has been identified as a contact of a confirmed COVID-19 case	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → If the contact was within school/setting, you will receive a notification letter from us → Do not arrange a test unless your child develops symptoms → Siblings can continue to attend 	<p>... 14 days have passed since the person developed symptoms (or since the date of their test if they did not have symptoms).</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
... someone else in my household has been identified as a contact of a confirmed COVID-19 case	<ul style="list-style-type: none"> → The household member must self-isolate for 14 days → The person should not arrange a test unless they develop symptoms → Child can continue to attend school → Siblings can continue to attend 	<p>... child can continue to attend</p>
... I've heard that someone at school has tested positive for COVID-19	<ul style="list-style-type: none"> → If your child is identified as a contact, you will be notified and advised what happens next 	<p>... child can continue to attend</p>
... my child has travelled abroad	<ul style="list-style-type: none"> → If your child is required to quarantine (as per current Government advice), contact school/setting to inform us → If your child is not required to quarantine, they can return to school/setting → You should not arrange a test for COVID-19 unless your child develops symptoms 	<p>... your child has completed quarantine, if required</p>
... I have received medical advice that my child must resume shielding	<p>Do not come to school/setting</p> <p>Contact school/setting to inform us</p>	<p>...you are informed that restrictions are lifted, and shielding is paused again</p>
