

ASH GREEN WEEKLY NEWS

11 December 2020

Another fantastic week done at Ash Green. PLEASE keep to the guidance in the community too: keeping households separate will help us to keep safe over Christmas and enjoy the break in good health!

WELCOME NEW CHILDREN...JUST THREES!!!

On Monday 14th December, we will have a 'Just 3' Transition Day where the children will spend a half day with us. This has been arranged with parent/carers. Then on Monday 4th January, those children will start with us! Sessions will run 8:35-11:35 and 12:05-3:05. The children will use the Sunnybank Road gate where Reception children come in and are picked up. Look out for a Virtual Tour on our website soon!

Free School Meals

Free School Meals during school holidays

Eligible families will be contacted by the Welfare and Benefits team to make arrangements for one payment to be made directly to them in December which will cover the school holidays over Christmas and February half term.

There will be support from Easter through the Department for Education's Holiday Activity Food programme which will provide funding from Easter to Christmas 2021.

A big thank you to all children and staff who wore their Christmas jumpers today and helped raise money for Overgate and Forget-me-not.

We will send your donations to these charities that are very dear to our hearts and remember Lorraine Birkhead and Ellouise Travers today and every day.

WEDNESDAY 16 DECEMBER

WIZARD OF OZ PANTO (LIVE ON TEAMS!) FREE ADMISSION!

THURSDAY 17 DECEMBER

CHRISTMAS LUNCH

FRIDAY 18 DECEMBER

LAST DAY BUFFET AND PARTIES
NON UNIFORM DAY

ALL CLASSES BREAK UP AT 2.15pm

(MEANING NURSERY P.M CHILDREN WILL HAVE A SHORTENED SESSION)

A message...

"2020 has been a difficult time for everyone in our community and Holy Nativity Church would like to make Christmas a little bit brighter for everyone.

Next week we are giving every family with children at the school a little something to help spread some joy.

Pupils will be given a bag from the church community with a few bits and pieces for Christmas and a selection box each.

We hope that it will make Christmas a little happier."

from Rev. Robb and
Everyone at Holy Nativity Church

Next Wednesday, staff will upload songs and performances from your child's class on Tapestry (EY) and Seesaw (KS1 and 2). Remember, you need to be signed up to those digital platforms to access the clips. Santa will be visiting school next week at lunchtime where he can...

He will walk outside classrooms in school if he can and also be out and about in the community the week after for all those children who have been so brilliant.

WE'RE
CLOSED
FOR CHRISTMAS

REMINDER

CHILDREN WILL FINISH ON FRIDAY 18 DECEMBER AT 2.15PM
AND RETURN ON MONDAY 4 JANUARY 2021

Keeping Families Safe in Calderdale

COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse

Health Visiting Team: 030 0304 5076

School Nursing Team: 030 3330 9974

What to do if...	Action needed	Return to school/setting when...
...my child has one or more of the main COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings 	<p>...the test comes back negative</p> <p>If you are unable to get a test for your child within 5 days of them developing symptoms, you must follow the advice below</p>
...my child has a runny nose, sore throat, headache, sickness or diarrhoea but doesn't have	<ul style="list-style-type: none"> → Contact school or setting to inform us if your child won't be attending → Ring on each day of illness 	<p>... they feel well enough to do so, and after 48 hours following the last bout of sickness or diarrhoea</p>
...my child tests positive for COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms 	<p>...10 days have passed since symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks</p> <p>Remember, others in your household may still be self-isolating</p>
... I am unable to get a test for my child within 5 days of them developing symptoms of COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>...10 days have passed since the symptoms began, and the child feels well and does not have a temperature. The child can return even if they still have a cough or loss/change to their sense of taste or smell as these symptoms can last for several weeks. Remember, others in your household may still be self-isolating. If the child is a contact of a confirmed case, develops symptoms, and cannot get a test, they must continue to self-isolate for the full 14 days</p>
...my child tests negative for COVID-19	<ul style="list-style-type: none"> → Contact school/setting to inform us → Discuss with us when your child can come back 	<p>...they feel well enough to do so, unless:</p> <ul style="list-style-type: none"> → Anyone else in the household has tested positive for COVID-19 in the last 14 days → Anyone else in the household has symptoms and hasn't received a negative test result → They are a contact of a confirmed case → They have returned from abroad are required to quarantine (as per current Government advice)
...someone in my household (other than my child) has COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household → Arrange a test for anyone in the household with symptoms → Inform school/setting about test result 	<p>... the test comes back negative or fourteen days have passed since the person started with symptoms</p>

What to do if...	Action needed	Return to school/setting when...
...someone in my household (other than my child) tests positive for COVID-19	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms. For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>... 14 days have passed since the person developed symptoms</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
... I am unable to get a test for someone in my household (other than my child) within 5 days of them developing symptoms COVID-19 symptoms	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → Self-isolate the whole household including siblings <ul style="list-style-type: none"> - For anyone with symptoms: this is for at least 10 days from when they started with symptoms - For anyone who doesn't develop symptoms: this is at least 14 days from when the first person started with symptoms 	<p>... 14 days have passed since the person developed symptoms</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
...Someone in my household had a test for COVID-19 but the result was inconclusive	<ul style="list-style-type: none"> → Continue to self-isolate the whole household → Arrange a retest if possible within 5 days from the person starting with symptoms. → If you are unable to arrange a retest, follow advise above for "I am unable to get a test" 	<p>... 14 days have passed since the person developed symptoms, if unable to get a retest.</p>
... my child has been identified as a contact of a confirmed COVID-19 case	<ul style="list-style-type: none"> → Do not come to school/setting → Contact school/setting to inform us → If the contact was within school/setting, you will receive a notification letter from us → Do not arrange a test unless your child develops symptoms → Siblings can continue to attend 	<p>... 14 days have passed since the person developed symptoms (or since the date of their test if they did not have symptoms).</p> <p>If your child develops symptoms during this time, you should arrange a test. If they test positive or are not tested they must stay at home for 10 days from when they started with symptoms</p>
... someone else in my household has been identified as a contact of a confirmed COVID-19 case	<ul style="list-style-type: none"> → The household member must self-isolate for 14 days → The person should not arrange a test unless they develop symptoms → Child can continue to attend school → Siblings can continue to attend 	<p>... child can continue to attend</p>
... I've heard that someone at school has tested positive for COVID-19	<ul style="list-style-type: none"> → If your child is identified as a contact, you will be notified and advised what happens next 	<p>... child can continue to attend</p>
... my child has travelled abroad	<ul style="list-style-type: none"> → If your child is required to quarantine (as per current Government advice), contact school/setting to inform us → If your child is not required to quarantine, they can return to school/setting → You should not arrange a test for COVID-19 unless your child develops symptoms 	<p>... your child has completed quarantine, if required</p>
... I have received medical advice that my child must resume shielding	<p>Do not come to school/setting</p> <p>Contact school/setting to inform us</p>	<p>...you are informed that restrictions are lifted, and shielding is paused again</p>
