

# ASH GREEN WEEKLY NEWS

What an amazing week of work, play and weather! Today, our Year 4 children completed their Multiplication Table Checks hot on the heels of our KS1 and 2 SATs and Y1 phonic screening! After such a difficult two years it is important that children remember they can only do their BEST, there are bound to be gaps. We have also had different visitors in school- including a theatre company to present a French play to KS2- and all have commented on how well behaved our children are! We have lots to pack in over the next few weeks, see below...

## PARENTS' EVENING

TUESDAY 28 JUNE

'Face to face' Parents' Evening.

Bookings went LIVE last night. 35% of bookings were snapped up in the first 3 hours which is fantastic!

<https://ashgreenprimary.school.cloud.co.uk/>

You will need your child's date of birth and child's full name to enable you to log in and this will need to be done for each child individually, if you have more than one child at school. If you enter incorrect details, the system will not find your child. If you have any issues, please contact your child's teacher of the office and we will try to rectify the problem as soon as possible.

## YEAR 6

# Leavers Assembly

Our annual Year 6 Leavers' Assembly will take place on Wednesday 29<sup>th</sup> June. For the first time since COVID, we are thrilled to be able to invite Year 6 parents/carers back into school to take part in the celebration of the children's time here at Ash Green. Following the success of the previous 2 years' assemblies, this year's will follow a similar format in which Mr Sheppard will invite each child up one at a time to share anecdotal memories of their time here and present them with a Leaver's hoodie. This special occasion will also allow the younger children in Ks1 and 2, as well as past teachers, the opportunity to say their fond farewells. These assemblies will take place at both sites:  
**Year 6 Upper – 9.10 – 10.10am**  
**Year 6 Lower – 10.45 – 11.45am**

## STAY AND PLAY

Starting next Friday, we would like to welcome Early Years parents and carers to stay for the first part of the day – 8.45-9.30. this will be an optional opportunity for you to bring your child into school, find out the things they are learning, read together and to stay for a carpet session. I know that EY parents have been desperate to get back into this as you don't receive quite the same interactive updates as KS1 and 2 on Seesaw (this will be remedied from September) and I thank you for your patience as we balance so many factors of Covid, safeguarding, separation etc. LOOK OUT for a letter early next week with more details.

## TRANSITION DAY

A reminder that all children move up a year on Monday 4 July. Next Friday we will explain who will be teaching each class so your child knows who they will go to on that Monday and also next year! Children going to Calder High will have their Transition Day on Friday 1 July and are welcome in school on the 4<sup>th</sup>.

# NEXT STEPS FOR LIVING WITH

# COVID-19

## CHILDCARE SETTINGS FROM FRIDAY 1 APRIL 2022

On Tuesday 29 March, the Secretary of State for Health and Social Care, Sajid Javid, set out the next steps for living with COVID-19 in England from Friday 1 April.

Free COVID-19 tests will continue to be available for specific groups, including eligible patients and NHS staff, once universal testing offer ends on Friday 1 April.

### Update guidance will advise:

- Adults with symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days.
