

ASH GREEN WEEKLY NEWS

Another fabulous week at Ash Green with class 5W spending a gloriously sunny day enjoying the sights of London. It will be class 5B's turn next week – let's hope the weather is just as warm. Our Open Evening on Tuesday in our Early Years classes were fairly well attended – remember you can contact your child's teacher to discuss progress or any other issues. Early Years had their Family Friday again this week. It was great to see so many parents and carers enjoying fun activities with their children once again. Our assembly this Friday morning was a celebration of our part in the Active Schools project – Key Stage 2 children were awarded badges for actively travelling to school one a week for a whole term.

COMING SOON

TUESDAY 19 JULY
PRIZE GIVING

Our winners will receive a certificate and a prize.

SPORTS DAYS

TO BE CONFIRMED

Children will compete in a selection of events against each other.

FRIDAY 22 JULY

BREAKUP - BUFFET LUNCH

Children will enjoy a buffet lunch before we break up at 2.15pm.

PLEASE NOTE – PRIZE WINNER WILL BE NOTIFIED NEXT WEEK.

5W FIRST CLASS!

We may have travelled to London in the second class of the fantastic Grand Central yesterday, but the whole day, particularly the children's behaviour, was first class! 5W children enjoyed a day of glorious sunshine whilst exploring the sights of London and on the London Eye! Thanks to the staff who put in a 17 hour shift; we know how much the children appreciated staff's efforts for their amazing day out!

SPORTS DAYS!

We are determined to return to Sports Days in the last week of term and whilst we have lost our Upper Site field after the fire, staff are working hard on solutions to ensure that our children will compete against one another and to support one another in a series of athletic events. More updates to follow.

HEAD LICE REMEMBER – ONCE A WEEK TAKE A PEEK

Unfortunately, we have had a few cases of head lice in school. Please check your child's hair and treat if necessary. Thank you.

PUPIL REPORTS

Staff have worked hard to produce individual pupil reports. I have read them all and written my comments on too. It has been a pleasure, to be able to read and write about our wonderful children- all 500 of them! Reports will be sent home with the children who will be in school plus for their siblings. We will then arrange pick up times for the reports of families who are not in school. Keep an eye on the App and website for further details as we aim to send these home on the 15 July.

HOLIDAY BREAKFAST

Families in receipt of Free School Meals who requested Holiday Breakfast Packs will receive one Magic Breakfast Box per child approximately every two weeks during the summer holidays. The Box will include a letter with Magic Breakfast's contact details via telephone and email.
Call: 020 7836 5434

SORRY

NO DOGS ALLOWED

In the interest of our children's safety, can we ask that parents please do not bring dogs onto school grounds at collection times? Thank you

NEXT STEPS FOR LIVING WITH

C O V I D - 1 9

CHILDCARE SETTINGS FROM FRIDAY 1 APRIL 2022

On Tuesday 29 March, the Secretary of State for Health and Social Care, Sajid Javid, set out the next steps for living with COVID-19 in England from Friday 1 April.

Free COVID-19 tests will continue to be available for specific groups, including eligible patients and NHS staff, once universal testing offer ends on Friday 1 April.

Update guidance will advise:

- Adults with symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days.
